

Jeux et chansons (Games and songs)

Overview Unit 2

ABOUT THIS UNIT		WHERE THIS UNIT FITS IN
In this unit children listen and respond to a French version of a well-known song. The song used here is <i>The Farmer's in his Den</i> , but you can substitute an alternative. Children learn or extend their knowledge of numbers to 12 and play familiar playground games. They follow simple instructions for making a game of conkers, although you can choose a different activity where children listen to instructions and respond to them.		Children consolidate and extend number work from Unit 1, and combine numbers with nouns to make simple plurals. They recognise and respond to sound patterns and words. They play games to help them remember new language. They experiment with writing familiar words. Children have opportunities to work co-operatively in pairs and small groups.
